

MD RABIUL ISLAM, PhD.

Residency Status: Resident Pass Talent in Malaysia until 2028

Marital Status: Married with two children.

Date of Birth: 15th August 1979

Phone: +604928-8537(Office)

Cell: +601135480235

E-mail: 4rislam@gmail.com, or rabiul@uum.edu.my

SUMMARY

Dr. Rabiul Islam is an academic and highly profiled researcher. He has more than 19 years of experience in research as well as economics teaching. He is attentive to delegation and strikes to deliver the result with full commitment. As an economics academician, Dr. Rabiul Islam ensures excellence in terms of teaching, sharing knowledge, creating new ideas, and motivating his students and fellows. His core research areas are environmental economics, climate change, international studies, political economy, etc. He taught several subjects at the undergraduate and master's levels of economics, and he used different software in his field, such as E-Views, Stata, and SPSS. His excellent teaching performance evaluation, which is evaluated by the students, reflects his teaching effectiveness at the bachelor's and master's degree levels. Most of the time, he secured more than 95% in his teaching evaluation. He is involved with the supervision of Ph.D. scholars and internal reviewers at UUM, as well as external reviewers at different universities in different countries. He received an excellent service award in 2021 and a best publication award in 2022 for his academic and research excellence at the University of Utara Malaysia, which is significant recognition. In addition, he has not only contributed to UUM but also to the Malaysian economy, which is why he received a Resident Pass Talent (RPT) in Malaysia, which he got from the Malaysian government. He has published over 170 papers in highly reputable journals and presented at international conferences in front of world-renowned audiences in their respective fields. He also has Scopus H-index 16 & Citations 928, Research Gate H-index 24 & Citations 1709, and Google Scholar H-index 32 & Citations 3000, which show his internationally recognized and outstanding achievements.

EDUCATIONS

2011

Doctor of Philosophy | Economics

University Kebangsaan Malaysia, Bangi, Selangor, Malaysia

- **PhD Dissertation** in Trade and Environment: Impacts of Tariff and Non-tariff Trade Barriers on Tropical Timber Trade in Malaysia

2004

Master of Social Science | Economics

Islamic University, Kushtia, Bangladesh

- **Coursework** in Economic Development, Advanced Microeconomics, Advanced Macroeconomics, Econometrics, Population Studies, and Research Methodology & Computer Computations.

2003

Bachelor of Social Science | Economics

Islamic University, Kushtia, Bangladesh

- **Coursework** in Islamic Economics, Agricultural Economics, Economics, Finance & Banking, Micro and Macroeconomic Theory, Mathematical Economics and Statistics, Research Methodology, Bangladesh Economy, Economic Planning, Comparative Economic System, & Philosophy.

1996

Higher Secondary Certificate | Science Group

Board of Intermediate & Secondary Education, Bangladesh

Coursework: Bengali, English, Math, Physics, Chemistry, Biology

1994

Secondary School Certificate | Science Group

Board of Intermediate & Secondary Education, Bangladesh

Coursework: Bengali, English, General Math, Higher Math, General Science, Geography, Islamic Studies.

EXPERIENCES

January 2018 – Present

Associate Professor, University Utara Malaysia | Sintok, Kedah, Malaysia

- Helped course directors and professors design and develop overall curriculums and courses.
- Attended conferences, events and visited other universities to gain contacts and network with other academic professionals.
- Carried out research-led teaching for undergraduate and postgraduate students.
- Reviewed research findings daily to keep updated on emerging theories within the Economics field.
- Attended events at other universities to expand networks and observe Political Economy content and best teaching practices.
- Led and coordinated Ministry of Higher education Research Grant as well as university research activities, planning all aspects, including data collection plans, scope of work and goals.
- Kept updated with developments in Economics field by conducting research, reviewing papers, and attending conferences.
- Delivered presentations at conferences regarding latest Environmental Economics research findings, including SPSS, EVIEWS visualizations.
- Helped secure additional funding for vital FRGS projects by writing compelling and persuasive proposals.
- Helped professors with marking and assessing student work, providing constructive feedback to enhance student learning.
- Assisted in shortlisting, interviewing, and selecting students for graduate programmes, completing under directions of Industry Jobs as well as academic.
- Conducted in-depth assessments of coursework and dissertations, marking, and providing constructive feedback to assist student development.
- Developed research papers on Energy diplomacy themes and issues.
- Planned creative, educational, and interactive lessons for economics and business subjects.
- Maintained proactive and helpful point of contact for students, regarding course concerns and subject matter queries.
- Attended conferences to network with professionals and stay updated on latest developments.
- Held seminars and lectures for undergraduate and postgraduate students, including Economics related subjects.
- Presented research findings at conferences and other public events through interactive and informative PowerPoint presentations.

May 2012 – December 2017

Senior Lecturer, University Utara Malaysia | Sintok, Kedah, Malaysia

- Planned, organised, and outlined annual course curriculum and content for Economics.
- Took leading role in developing teaching methodologies and assessments for Honours final year students.
- Promoted equality, diversity and inclusivity through course recruitment and teaching appointments.
- Chaired departmental meetings, setting agenda and mediating discussions on course curriculum.
- Assisted 4th-year students plan, organise, and develop methodology for end of course research task.
- Wrote comprehensive funding bids to assist with research programmes.
- Coordinated research into environmental economics, managing research team of 5 individuals.
- Taught courses at all levels of university, including undergraduate, master's and higher research degrees.
- Supervised 4 PhD candidates over 6 years.
- Established and innovated creative research programme studying Political economy.
- Coached, mentored, and acted as role model to students and colleagues.
- Created presentations to deliver lecture material in classroom and online learning environments.
- Held regular student meetings to communicate strengths, weaknesses, and areas for learning development.
- Managed university courses holding up to 15 students.
- Planned and developed homework assignments based on lessons taught and student development required.
- Used diverse teaching methods, including lectures, presentations, and class activities to deliver curriculum.
- Planned and developed course curriculums based on government guidelines, trends, and head of department input.
- Provided ongoing and proactive support to students and staff requiring extra assistance.
- Developed tests and materials to assess and promote student learning objectives.
- Selected innovative teaching methods to deliver course content.
- Conducted fieldwork to find and gather evidence to support research topics.
- Conducted extensive research to gather data for writing papers, proposals, journal articles and books.
- Conducted in-depth assessments of student progress, designing development plans based on improvements needed.
- Designed, planned, and taught lectures based on curriculum requirements and exams.
- Marked and graded homework, assignments, papers, and tests, providing constructive feedback to improve learning development.
- Proactively expanded knowledge base by networking with other lectures and researching.

September 2011 – April 2012

Post-Doctoral Fellow, University Kebangsaan Malaysia | Bangi, Selangor, Malaysia

- Helped teams with assignments and deliverables.
- Applied effective upselling techniques to increase per-sale revenues.
- Assisted team members and customers in finding products.
- Employed excellent time-management skills to maximize task completion and reduce errors.
- Increased site traffic through targeted SEO and PPC campaigns.
- Developed surveys to gather insights and deliver on project goals.
- Designed presentations summarizing research findings.
- Created spreadsheets using Advanced Excel formulas.
- Analyzed statistical data and prepared infographics with SPSS, EVIEWS.
- Organized interviews to gather focus group data.
- Created challenging assignments, projects, and lessons designed to produce well-informed students.
- Attended conferences to learn about new research and present research findings.
- Wrote scholarly papers and defended positions to add to collective base of field knowledge.

April 2008 – July 2011

Graduate Research Assistant, University Kebangsaan Malaysia | Bangi, Selangor, Malaysia.

- Developed surveys to gather insights and deliver on project goals.
- Designed presentations summarizing research findings.
- Created spreadsheets using Advanced Excel formulas.
- Analyzed statistical data and prepared infographics with SPSS, EVIEWS.
- Organized interviews to gather focus group data.
- Wrote grant applications to attract research funding.
- Coordinated research projects to achieve overall team efficiency.
- Collected large volumes of data with high accuracy.
- Created challenging assignments, projects, and lessons designed to produce well-informed students.
- Attended conferences to learn about new research and present research findings.
- Wrote scholarly papers and defended positions to add to collective base of field knowledge.
- Facilitated engaging discussions focused on igniting student curiosity and deepening understanding of concepts.

January 2005 – December 2007

Lecturer, Mujibnagar Degree College | Dariapur, Meherpur, Bangladesh

- Facilitated and guided meaningful class discussions among students.
- Set and marked economics assessments, providing constructive feedback to expand students' knowledge.
- Advised students on academic and assessment-related matters, offering continuous support and constructive feedback.
- Developed and presented engaging lecture material on a variety of advanced economics topics including Micro, Macro, and Development.
- Identified teaching areas in need of revision or improvement, producing updated lesson materials as needed.
- Provided ongoing support and mentorship to students to achieve optimum academic results.
- Encouraged students to ask challenging questions and thoroughly examine subject material.
- Facilitated engaging discussions focused on igniting student curiosity and deepening understanding of concepts.
- Administered examinations, graded papers, and assigned fair, accurate grades based on results.
- Mentored students interested in long-term careers in the field on course materials, career opportunities, and research.
- Created challenging assignments, projects, and lessons designed to produce well-informed students.
- Readied students for examinations and higher-level studies through demanding coursework.

TAUGHT COURSES

No.	Course Code	Name of Courses/Subjects	Level of study
1.	GFPP5044	Application of Strategic Theories in Management	Postgraduate
2.	GFPP5234	International Political Economy	Postgraduate
3.	GFPP5294	Geopolitics of Multinational Firms	Postgraduate
4.	GFPP5064	Managerial Strategy and Approaches	Postgraduate
5.	GFPP5304	Global Energy Politics	Postgraduate
6.	GFPP5334	Research Methodology	Postgraduate
7.	GFPP5204	Theories of International Political Economy	Postgraduate
8.	GFPP5344	Political Economy of Emerging Markets	Postgraduate

1.	BEEB2013	Microeconomics	Undergraduate
2.	BEEQ2013	Mathematical Economics	Undergraduate
3.	BEEB3013	Intermediate Microeconomics	Undergraduate
4.	BEEQ1023	Introduction to Statistical Economics	Undergraduate
5.	BEEQ2023	Basic Econometrics	Undergraduate
6.	BEEQ3013	Econometrics	Undergraduate
7.	BEER3996	Academic Research Paper	Undergraduate
8.	GFMA2023	International Business	Undergraduate
9.	GFPP3114	International Political Economy	Undergraduate
10.	GFPP2133	International Economic Organizations	Undergraduate
11.	GFPP3143	Regional Political Economy	Undergraduate

STUDENTS SUPERVISION

No.	Name of Student	Title of Thesis/Dissertation	Level of Study	Status
1.	Md. Ariful Islam	Willingness to Pay for Improving River Water Quality: A Study on Buriganga River in Dhaka of Bangladesh	PhD.	Completed
2.	Md. Nazmus Sadekin	The Effect of Climate Change on the Livelihood of Small-Scale Fishing Communities of the Challan Beel Area in Bangladesh	PhD.	Completed
3.	Awang Dzul Hashriq Dharfizi Bin Awang Salleh	The Roles of Malaysia's Regional Energy Diplomacy-Strategies, Policies and Practices	PhD.	Completed
4.	Yusuf Tanko	An Economic Analysis of Rural Infrastructure and Agricultural Productivity in Nigeria (A Case Study of Kano State, Nigeria)	PhD.	Completed
5.	Abubakar Hamid Danlami	An Analysis of the Pattern and Determinants of Households' Energy Choice & Demand in Bauchi State, Nigeria	PhD.	Completed
6.	Gazi Abu Horaira	International Labor Migration: The Economic Impact on Poverty and Inequality in Bangladesh	PhD.	In Progress
7.	Mimina Chinamhora	International Relationships	PhD.	In Progress
8.	Mansour Mohamed Obaid Bintarish Almheiri	Impact of Airport Processing Factors on Airport Service Performance in Abu Dhabi International Airport.	Masters	Completed

9.	Li Wenhui	Trade Cooperation between China and Malaysia under One Belt and Road and RECP	PhD.	In Progress
10	Saood Mohammad Hassan Albahar	Relationship between Regulatory and Economy Factors, Investor Characteristic and Foreign Direct Investment in UAE	PhD.	Completed
11	Muhammad Syahmi bin Mohd Makhtar	Food Security and Rice Productivity in the Northern Region of Malaysia	Masters	In Progress
12	Kanwal Shamsa	Impacts on Global Integration, Social Inequalities & Environmental Degradation through Social Capital	PhD.	Waiting for viva
13	Syazana Binti Mohd Saad	Competitive Advantage: The Implementation of Knowledge Management Strategy in Mistral Mastery SDN. BHD.	Masters	Completed
14	Abdullah Ebrahim Anbar	The Hiddin Reasons Behind the Intervention of Saudi Arabia and Emirates in the Yemeni War	Masters	Completed
15	Balamurugan A/L Rethinaveloo	The Effectiveness of Digital Technology on SMEs to Develop Malaysia Economic During the Covid-19 Pandemic	Masters	Completed
16	Abdul Aziz Majid Sultan Alshukaili	Impact of the strategic planning and management of organizational Performance: Based on government projects in Oman	PhD.	In Progress
17	Faheema Jasem Abdulla Mohamed Almarzooqi	Internationalization and International Marketing: Export Behaviour, International Marketing Strategy and Export Performance in Spanish Small and Medium- Sized Enterprises	PhD.	In Progress
18	Fahd Yaqoob Abdulkhaliq Alahmad Alansaari	Analysing the Implication of Domestic Reforms and International Relations on the International Businesses	PhD.	In Progress
19	Omar Mohammad Mohammad Ali Sultan Alolama	The Importance of Designing a Closed Loop Supply Chain for Improving the Sustainability of Global Business	PhD.	Waiting for viva

20	Adnan Ahmed Ali Ebrahim Alameeri	International Business Transactions and Faith-Based Organizational Values	PhD.	In Progress
21	Wang Shusha	Strategic Research on the Internationalization of Chinese Minority Cosmetic Brands	PhD.	In Progress
22	Ali Abdulla Rashed Ali Alzaabi	An Examination of Conflict Management Styles in The Middle East	PhD.	In Progress
23	Saif Ali Mohamed Qudoor Alshehhi	The Opportunity of Using the Gold Dinar for International Trade Between OIC Countries	PhD.	In Progress
24	Lamya Hamdan Alzaabi	Corporate Governance, Accounting Regulation, And Financial Reporting Quality of Listed Pharmaceutical Companies to Prevent Selling Drugs in UAE	PhD.	In Progress
25	Ammar Abdulla Mohamed Bin Omair Al-Ali	The Revolution in Military Affairs and Changing Technologies and Changing Practices of Warfare		In Progress
26	Ahmed Hassan Alhassani	The Role of Strategic Planning in the Relationship Between Military Capability in Middle East Countries	PhD.	In Progress
27	Abeer Ahmad Othman Zayyad	The Impact of Family Business Conflicts on the company continuation	PhD.	In Progress

RESEARCH

No.	Project Title	Type of Research Funding	Year	Project Status
1.	Malaysia's Demand Structure with the Influence of Demographic Factors: An Exploratory Study	CIMB Bank Research Grant (RM50,000)	2016-2017	Completed
2.	Developing A CO ₂ Emission Trading Scheme for Malaysian Cement Industry	FRGS/1/2015/SS07/UUM/02/3(RM 77,000)	2015-2017	Completed
3.	The Profitability of Relocating and Immigrant Business	IMBRE/UUM/ (RM10,000)	2016-2017	Completed

4.	Malaysia-BRICS Trade Linkages: An Analysis of Patterns, Determinants and Prospects	RAGS/1/2015/SS0/UUM/02/7 (RM25,000)	2015-2017	Completed
5.	ASEAN Banking Performance: A Meta Frontier Analysis	University Grant (RM10,000)	2015-2016	Completed
6.	Disaster Safety Net: Evaluating the MKN 20 Directive	FRGS/1/2015/SS07/UUM/02/3(RM 70,000)	2015-2016	Completed
7.	Developing a Model of Climate Change on Food Security: A Case Study on the Northern Region of Malaysia	University Grant (RM5,000)	2017-2018	Completed
8.	A Comparative Evaluation of Changes in the Demand Pattern in Malaysia (1998 - 2014) (2017)	CIMB Bank Research Grant (RM50,000)	2017	Completed
9.	The Effect of Climate Change on the Livelihood of Small-Scale Fishing Communities: A Model of the Inland Water Area in the Northern Region of Malaysia	FRGS (RM 71,500)	2019-2021	Completed
10.	Developing A Model on Rice Productivity in the Northern Region of Malaysia	FRGS (RM 71,500)	2019-2021	Completed
11.	Influence of Occupational Hazards on Employee Turnover Intention: The Case for Readymade Garments Industry of Bangladesh	International Grant	2019-2021	Completed
12.	Developing A Trade Model for Malaysia's Fuel Export Destination	University Grant (RM5000)	2021-2022	Completed
